General Instructions
Transfer of Major Coursework Form
College of Fine Arts

Approval of major coursework on this form will enable transfer work to appear as the TCU equivalent ** on the TCU internal transcripts. This will aid in the advising process as well as allow the student to register online for courses requiring transferred prerequisites. After completing this form, please take directly to the Department of your major for the appropriate signatures and then return the form to the Dean’s Office, Moudy 119N.

1. **Forms that are not filled out completely and legibly will be returned to the student without action being taken.**

2. List the title and course number ** used by the school from which you have transferred credit. Many schools have the same initials; to avoid confusion, uses the name instead. To list more courses that will fit on one form, use an additional form.

3. Decisions about transfer equivalents are made in the Dean’s Office. A departmental Advisor’s signature is required; additionally, some Departments require the Dept. Chair’s signature, as well. Please check with your advisor about this before bringing the form to the Dean’s office.

4. When a decision has been made, a copy of the form will be emailed to you.

5. The decision that a course will/will not meet the TCUCC or UCR is made on the Academic Action form only; please to make those requests on this form.

NOTES:

Students transferring to TCU with 54 or more hours should request a degree plan by completing the Request for Degree Plan and submitting it to the Dean’s Office, Moudy 119N.

If you are granted permission to transfer credit to TCU from another school, it is your responsibility to see that the other school sends an official transcript of your work to:
